George Barton

7 February 1950

Dear Dr. Epler:

In response to your letter of the 6th of February, we are sending you a copy of the list of electors of the Hall of Fame, with their addresses.

We do not usually disclose the addresses of the electors, and we would, therefore, appreciate it if you would treat this list as confidential material. You will, therefore, understand why we are not sending you the ten lists which you requested.

Miss Barton's name has not yet been suggested for this year's election.

Sincerely yours,

Bertha L. Lyons (Mrs. N.)
